Performance of Renaissance Smart Tech Private Limited (RSTPL or IA) shall have no bearing on the expected performance of the model advisory portfolio. Past performance of the financial products, instruments and the model advisory portfolio may or may not be sustained in future and should not be used as a basis for comparison with other investments.

Investing in securities involves certain risks and considerations associated with it. The value of the investments may be influenced by various factors affecting financial markets, such as price and volume, volatility in interest rates, currency exchange rates, changes in regulatory and administrative policies of the Government or any other appropriate authority (including tax laws) or other political and economic developments. Consequently, there can be no assurance that the objective of the fund would be achieved. Prospective investors are advised to review the Client Agreement, and other related documents carefully in its entirety and consult their legal, tax and financial advisors to determine possible consequences of investing, before making an investment decision. IA is not liable or responsible for any loss or shortfall resulting from the operation of the fund. This document represents the views of IA and must not be taken as the basis for an investment decision. Neither IA nor its affiliates, its Directors or associates shall be liable for any damages including lost revenue or lost profits that may arise from the use of the information contained herein. No representation or warranty is made as to the accuracy, completeness or fairness of the information and opinions contained herein. The IA reserves the right to make modifications and alterations to this statement as may be required from time to time.
